

EXODUS OF HOMELESS FROM FLOODED CITY STARTED YESTERDAY

Beardstown Residents Seek Refuge in Other Cities—Chicago, Burlington & Quincy Only Road Able to Operate—Salvation Army On Scene—Quicksand Brings New Danger

BEARDSTOWN, Ill., April 14.—Exodus of the homeless from the flooded city of Beardstown started today. Habitable houses are cramped. Three fourths of the people are homeless. Water has risen above all previous conceivable heights, and today developed a menacing current thru the streets which, with the added baleful evidence of quicksand, caused the first outward signs of anxiety on the part of the people.

The Chicago, Burlington & Quincy railroad, the only one remaining in operation, tonight had a gang of section workmen building their tracks higher in the hope that they may survive the flood's crest.

When that is reached and the flood commences recession, all the after effects of a flood are anticipated.

Mayor Perry announced tonight that supervision of work then would be turned over completely to the state department of health. Levees remaining intact will be dynamited to allow the water to flow out, back to the river again. Uniforms of the Salvation Army were today seen in the lowest habitable parts of the city.

CONAN DOYLE TELLS PUBLIC ABOUT GHOSTS

Sherlock Holmes Creator Deduces Ghost of Antigoniash

(By The Associated Press) NEW YORK, April 14.—There was really a ghost in Antigoniash Sir Arthur Conan Doyle declared today.

Then he elaborated on the report made by Dr. W. F. Prince, psychic research expert after investigating queer doings at the home of Alexander McDonald in Caledonia Ill. in Antigoniash county, Nova Scotia.

Dr. Prince reported that the disturbances in McDonald's home were caused by Mary Ellen, his adopted daughter "during altered states of consciousness."

Mary Ellen was not the ghost, but the medium of the ghost which probably was that Sir Arthur believed of some naughty boy whom not even death could cure of his mischievousness.

"I was greatly interested in the Antigoniash disturbances," Sir Arthur added, "because it was almost a duplicate of the 'great Amherst mystery' of some years ago. That too was a Nova Scotia case with mysterious fires. Psychic research people then as in the Antigoniash case, said it was the work of somebody in the house."

"I have no doubt at all that the spiritualistic explanation of the Antigoniash mystery was correct. Mary Ellen, the medium threw out some power which was used by something malevolent outside herself."

"Yes there are malevolent spirits on the other side. Mischievous would be a better word."

"But spirits, malevolent or mischievous are not allowed to do real harm. The Antigoniash house really did not take fire did it?"

"There's a law on the other side that no spirit shall do harm to a mortal."

TORNADO DAMAGES SOUTHERN ILLINOIS

ST. LOUIS, Mo., April 14.—Reminiscence of a tornado at its beginning a terrific windstorm caused damage estimated at \$500,000 in eastern Missouri and Southern Illinois today. The storm was accompanied by unusual darkness which caused apprehension among St. Louis people and recalled memories of the disastrous cyclone of 1906.

Windows of trains enroute to the city were broken by the hail which was reported to have been three inches deep at Hermann, Mo. Considerable damage to fruit trees resulted from the storm according to farmers.

PULLMAN TAKES OVER SLEEPING CAR SERVICE

Chicago, April 14.—All of the Burlington-Great Northern railroad's sleeping cars and full service will be taken over by the Pullman company it was announced today. The first change will be new all steel equipment for the Oriental Limited trains of these roads from Chicago and Seattle on May 15th. Two hundred new cars are being constructed for the railroads it was stated. The passing of Great Northern sleepers leaves only one road in the United States which operates its own sleepers.

WIDE SEARCH IS BEING MADE FOR PEORIA MINISTER

Peoria Journal Offers \$100 to Anyone Finding Him

(By The Associated Press) PEORIA, Ill., April 14.—Following a tip that Rev. W. J. Veach Peoria Methodist minister who had been missing since Wednesday night was seen in East Peoria posess are scouring that district tonight.

The Peoria Journal, for which Rev. Veach wrote feature stories has offered a \$100 reward to any one who finds him.

Other friends of the missing man have offered rewards. Chief of Police Edward Martin, spent the greater portion of yesterday in a fruitless search for Veach.

This morning he had the Glen Oak Pool dragged but without results. Chief Martin had several hundred photographs of the missing man distributed thruout the state last night and has asked the co-operation of every police department in the state to help in the search being made.

Under command of Lieutenant John Traeger of the American Legion a force of fifty members of the legion were all day in a drizzling rain searching for some trace of the missing pastor. The hills south of the city and all parks were searched and all roads leading from this city to a distance of twenty miles were covered in automobiles.

JOHN L. LEWIS MAKES DENIAL OF STATEMENTS

Has Not Tried to Get Government to Interfere in Strike

(By The Associated Press) SPRINGFIELD, Ill., April 14.—Emphatic denial of statements printed in a Chicago paper this morning that he had been given "a specified time within which to corral the government into federal intervention in the nationwide strike of coal miners" was given here tonight by President John L. Lewis of the United Mine Workers.

"Such a report," Mr. Lewis said, "is absolutely false. I am not making any desperate attempts of any sort, the policy committee has not been called to consider separate state agreements, and I have been given no orders."

Earlier in the day Mr. Lewis denied a statement by Attorney General Daugherty that local conferences of operators and miners are being held in the coal fields.

"There are no conferences in progress at all," he declared. "Lewis would not comment on the attorney general's attempt to secure dismissal of the federal indictments at Indianapolis, declaring that he preferred keeping silent upon the actions of that cabinet member."

SECRETARY MELLON EXTENDS REDEMPTION

(By The Associated Press) WASHINGTON, April 14.—Secretary Mellon tonight extended from April 15 to May 15 the authority granted federal reserve banks to redeem at par and accrued interest 4 1/2 per cent Victory notes up to an aggregate amount of \$100,000,000. The treasury already has offered to redeem 31 Victory notes called for redemption on June 15, 1922, before that date.

Purchases of the four per cent notes up to date, Mr. Mellon said, aggregated about \$3,000,000 and advance redemption of the 32 per cent notes aggregated about \$80,000,000. Advance redemption of the Victory notes is in line with the treasury's policy for refunding the \$6,000,000,000 short dated debt.

THIS MAN HAS STRENUOUS TASK

OMAHA, Neb., April 14.—Roy Mahoney of Omaha today began work emptying into a bath tub 2,200 bottles of homebrewed beer without touching a drop in conformity with a sentence imposed by police Judge Wapwick when Mahoney was arraigned on a charge of intoxication and was unable to pay a fine of \$10.

After explaining that 2,200 bottles of liquor had been seized at another man's home recently Judge Wapwick passed sentence as follows:

"I shall be your punishment to empty each and every bottle, separately into a bath tub. The plug must be inserted and when the tub is full you may let the beer flow down the drain. Under no circumstances shall you touch a drop of the brew but shall pour and pour until all is gone."

Record Broke at Pekin. PEKIN, Ill., April 14.—The flood of the Illinois river has not only smashed high records here but the water has already gone more than a foot above the top of the gauge and is within a few inches of the floor of the Pekin bridge. The bridge has been swung and no one is allowed on it. Back waters today drove 15 families from their homes on North Second street and made 60 homeless. The northwestern railroad tracks are under water from several miles and there is no train service out of South Pekin. The Pekin-Springfield Gravel company has been driven out in East Pekin.

ADRIAN C. ANSON NOTED BASEBALL PLAYER IS DEAD

Veteran Passes Away in Chicago After Brief Illness

(By The Associated Press) CHICAGO, April 14.—Adrian C. Anson for more than half a century one of the notable figures of baseball died today after a week's illness and just two days before his seventieth birthday. The death of "Pop" Anson, as he was called by thousands of baseball followers came suddenly after it was believed that he was well on the way to recovery following an operation performed last Monday. He had been stricken on the street Sunday with internal troubles.

Mr. Anson's death has placed the sport world in mourning. His ability on the diamond where he was looked on by old timers as the greatest of first basemen, brought him admiration of the type given to physical prowess while his sportsmanship brought him the respect of all.

"Pop" was an outdoors lover up to the day he was stricken, turning to golf when he could no longer handle a baseball. Anson saw baseball formed, virtually and watched it go thru all the stages. As a boy in his teens he played his first contest at a time when the game really was the old rounders and was just starting in the process of its evolution. He played first with Marshalltown, Iowa, later going to Rockford, Illinois where he was a team mate of the late A. G. Spalding, the great pitcher. In the early seventies he played with the Philadelphia Athletics and the Chicago Nationals.

"Pop" grew up as a slugger, fielder and leader brought him recognition as the first baseman chosen by Spaulding for the mythical all-time all-American team.

In the early eighties he became manager of the Chicago team and in winning many pennants became known for his fairness and strictness as a disciplinarian.

Funeral arrangements had not been definitely completed tonight. Mr. Anson is survived by four daughters, Mrs. Walter H. Clough, Mount, Clair, N. J., Mrs. Arthur C. Dwyer, Mrs. C. E. Cray and Mrs. A. W. Sotman, the latter three living here.

ONE DAY OF GENOA MEETING PEACEABLE

(By The Associated Press) GENOA, April 14.—The Bolshevik delegates and the representatives of France to the economic conference broke today at the residence of Premier Lloyd George and even in the most pessimistic quarters there has been an appreciable rise in the expectations of the conference have good results.

The occasion for the meeting was a conference which began at 10:30 o'clock this morning and lasted throughout the day in which French, Russian, Belgian, Italian and British representatives participated and during which Mr. Lloyd George invited all to luncheon.

The meeting was called by Mr. Lloyd George for a discussion of the Russian problems with the purpose of clearing up uncertain points in the London expert's report before the Russians present their final reply to it. The carrying of the most vital part of the business of the conference into such a gathering where personal contact possibly may remove much of the animosity displayed in public sessions has created a general feeling in conference circles that a compromise may be arranged on the Russian problem which will afford a satisfactory working basis for the reconstruction of Russia.

The keynote of the allied position at the conference today was that Russia first must satisfy pledges before obtaining any concessions in the future.

PACKING WAGES TAKE SHARP DROP

WASHINGTON, April 14.—Wage rates in the packing industry during 1921, according to department of labor statistics issued today dropped sharply from levels established during employment peaks of 1920 but remained at the end of the year well above standards of 1917. For men the average wages during 1921 were estimated to be 50 1-2 cents an hour and for women 36 2-10 cents.

Most packing plants in 1917, the department reported were on a 10 hour day basis but in 1921 nearly all had an eight hour standard and nearly all guaranteed their workers at least 40 hours of employment a week.

FIND NO TRACE OF POISON IN STOMACH

Pana, Ill., April 14.—An analysis of the stomach of Mrs. William Pikes, 46, wife of Shelby county's wealthiest farmer, showed no indications of poison, Coroner Johnson announced today. Her body was found in a well on the Pikes farm recently.

BRIEFS

(By The Associated Press) LITTLE ROCK, Ark., April 14.—A loop levee between the government levee and the Arkansas river at the state penal farm for negroes at Cummins went out at 4 o'clock this morning and permitted flooding of 1,000 acres of farm lands being cultivated by convict labor, according to a dispatch received here.

TOPEKA, April 14.—A report that the cave-in which three Topeka boys met death yesterday in an earth slide was used in connection with Boy Scout activities was corrected by local boy scout masters today. The three boys were not members of the scouts, it was stated, and digging or playing in caves is not part of local scout work.

VINLAND, Kans., April 14.—A sweeping victory for long skirts was scored here yesterday when voters re-elected Perry Stevens to the rural high school board, giving him 118 votes to 20 for Seth Fenton, short skirt candidate.

QUINCY, Ill., April 14.—Water has begun to inundate the lowlands, unprotected by levees, a short distance below LaGrange, Mo. Many acres of wheat land in that vicinity will be covered with water in the next few days should the Mississippi continue to rise.

CHICAGO, April 14.—The condition of Davenport Ethian, the lad shot thru the stomach by a playmate, accidentally, today was reported as steadily improving. The boys were playing in the basement of a North Side private school with a rifle belonging to the other boy.

SPRINGFIELD, Ill., April 14.—Dirt roads in Central Illinois are impassable at Bloomington, Clayton, Mt. Sterling, New Berlin and in Sangamon county, according to the road bulletin of the Weather Bureau issued this morning.

"Motorists are advised to stay on the hard roads," the bulletin says. Oiled roads have some mud holes, but can probably be traveled with chains. The gravel roads in Logan county are in safe condition."

BELIEVES TARIFF SHOULD BE GIVEN THE RIGHT OF WAY

President Says it Should Have Precedence Over Bonus

(By The Associated Press) WASHINGTON, April 14.—President Harding was declared today at the white house to be of the opinion that tariff legislation should be given precedence in the senate over the soldiers' bonus.

Altho it was made clear that he had received no request from the Republican senate leaders for advice as to which measure should be taken up first it is understood that the views of both the chief executive and the senatorial leaders coincide in this respect.

Under present plans the tariff will be taken up in the senate next Thursday while the finance committee takes up the bonus bill. When the bonus measure has been reported to the senate it will be taken up for consideration dull lulls in the tariff debate.

The bonus bill is expected to be ready for senate consideration in about a fortnight.

NEW POLICY IN HANDLING FUEL OILS

(By The Associated Press) WASHINGTON, April 14.—A new policy in handling reserves of fuel oil for the navy involving abandonment of attempts to keep the oil in storage underground was announced today by the interior department. The project was worked out in cooperation with the navy department the statement said, and involves the permanent storage above ground of "royalty oils" derived from naval oil reserve lands in California and Wyoming storage to be made by operators at points on both coasts suitable for quick supply of the fleets in emergencies.

"Contracts have been made and are now being made," the statement said, "which will insure the navy ample storage for all the fuel oil which it has hereafter obtained from such reserves. This storage will be located at such points that in any time of crisis or need the ships of the United States can obtain the same at points from Guantanamo Cuba to the extreme northeast of alme and from California to Hawaii."

The new policy is the outgrowth of the effort to solve the controversy growing out of the getting aside of certain oil lands for naval purposes for which congress passed the way with the oil land leasing act.

ALLEGED ATTEMPT WILL BE MADE ON LIFE OF RADEK

Berlin, April 14.—Russian soviet representatives here have notified the German government that Russian monarchists have arrived in Berlin from Sofia, planning at attempt on the life of Karl Radek, soviet envoy, who is remaining in Berlin as liaison officer between Genoa and Moscow.

REDUCTION IN NAVY WOULD BE DISAPPOINTMENT

President Makes First Statement Regarding Question

(By The Associated Press) WASHINGTON, April 14.—President Harding in his first public utterance on the 1923 naval bill, declared in a letter presented today to the house that while the decision must lie with congress he would be greatly disappointed as he believed the country would be if the enlisted force was cut below 80,000.

The opinion was given in response to a request by Representative Longworth, Republican, Ohio, one of the leaders in the fight to defeat the proposal in the bill limiting the force to 67,000.

In presenting the letter toward the close of an all day debate, Mr. Longworth said he was glad to accept the challenge from friends of the measure as framed to find out what the president wanted and to let the house know.

The vote on the enlisted section will come tomorrow. On the eve of the battle both sides tonight were still claiming victory.

"Everything is fine and the bill as written will pass," said Chairman Kelley in charge of the bill. "We will win, unless too many of our supporters leave town for Easter," said Representative McArthur, Republican, member of the naval committee ready with an amendment for \$6,000 men the moment the section is reached.

Friends of the "big navy" had planned to force the fight over until next week, but Chairman Kelley resisted all attempts to delay. One amendment was accepted and one was voted down. There was no objection to the first by Representative Townner, Republican, Iowa, for an increase from \$250,000 to \$345,000 for the government of the Virgin Islands, but the other, for increasing the appropriations for the Great Lakes Naval Station from \$160,000 to \$260,000 offered by Representative Chindblom, Republican, Illinois, was rejected 56 to 32.

The figures did not represent the full voting strength on the floor. Blitter at times the debate often took a lighter turn. A telegram from Commander MacNider of the American Legion received by Mr. McArthur urged a full man force for ships permitted by treaty developed that representative members of the Legion were not behind the bigger navy fight.

CONFERENCE GOING ON DAUGHERTY BELIEVES

(By The Associated Press) WASHINGTON, April 14.—Upon leaving the white house after a conference with President Harding today, Attorney General Daugherty said he had gained an impression that "preliminary and local conference" were now going on between local unions of coal miners and the operators in bituminous fields. He intimated that this impression was vouchsafed by the anti-treaty men that the buildings had been taken because they were more fitted for their headquarters than the present headquarters in Rutland Square.

This explanation failed to reassure people who are apprehensive that the adjournment of yesterday's peace conference may prove significant especially as it is alleged that the independents gave no guarantee that acts of violence would be avoided.

Commandant O'Connor reiterated tonight his assurance that there would be no revolution. Four hundred men occupied the seized buildings tonight. Many of them having arrived from country districts in cars and lorries.

A van load of bread was seized in the street for the use of the occupants. Strong guards have been posted outside the court.

The provisional and British military authorities of Dublin Castle were notified of the seizure but up to tonight no action had been taken.

WASHINGTON, April 14.—President Harding in forwarding to the senate today a request for an appropriation of \$5,000 to defray expenses of the American delegation to the fifth Pan-American conference at Santiago, Chile, in 1923, revealed the intention of the United States to be represented by eight principal delegates. The entire delegation would consist of 21 persons.

Director Dawes of the budget in submitting the appropriation request said that due to the long period since the Pan-American conference in 1910 at Buenos Aires, "the approaching conference will assume unusual importance."

RAILROADS ACCUSED OF CHANGING METHODS IN DIFFERENT PLACES

Charge is Made by President of Railway Clerk's Union

(By The Associated Press) CHICAGO, April 14.—Railroad managements were declared today to be fighting for the public before the railroad labor board in Chicago and battling against it in Washington before the interstate commerce commission when the railway clerks presented their defense wage increase sought by the carriers before the labor board.

"The carriers are now arguing in Washington that a rate reduction cannot be made on the basis of wage reductions," declared E. H. Fitzgerald, president of the Clerk's Union. "Before this board they promise to translate wage reductions into interstate decreases."

"They are arguing similarly that such a reduction would not stimulate traffic," he said, "and their first and primary assumption is that reduction of wages would be felt in rates, resulting in increased traffic."

Mr. Fitzgerald interspersed numerous exhibits with attacks on the roads, which he declared would "push our men one step nearer an animal existence to provide augmented incomes for the railway owners" if they succeeded in obtaining another wage cut.

Among the exhibits 124 clerks showed earnings since 1915, when the average annual salary of a railroad clerk was \$716.79.

The average for 1920 was \$1,594, an increase of 121.5 per cent, but meantime the cost of food, the exhibit showed, had increased 203 per cent while the purchasing power of the dollar decreased 11.7 per cent.

In showing the effect of wage reductions translated into lower rates one exhibit showed that a 10 per cent cut in wages would affect the cost of a \$4 pair of shoes shipped from Boston to Cleveland by one-tenth of one cent.

ANTI-TREATY PARTY SEIZES FOUR COURTS BUILDINGS IN DUBLIN

Eject Guests from Hotel and Take Possession of Buildings

DUBLIN, April 14.—Early this morning the biggest coup yet affected by the anti-treaty party was carried out. Some 300 armed men, marching in two forces seized the four courts buildings formerly the seat of the national court of justice and four courts hotel nearby. No opposition was encountered. Two or three constabulary on duty were arrested but later liberated. Guests at the hotel were ejected and the two buildings were fortified, passersby being pressed into service filling sand bags and piling up stacks of books and documents.

The seizure was reminiscent of Easter week 1916, when the same buildings were besieged and similarly fortified.

Great alarm was caused in Dublin when the events of the early morning became known, leading to the explanation was vouchsafed by the anti-treaty men that the buildings had been taken because they were more fitted for their headquarters than the present headquarters in Rutland Square.

This explanation failed to reassure people who are apprehensive that the adjournment of yesterday's peace conference may prove significant especially as it is alleged that the independents gave no guarantee that acts of violence would be avoided.

CAIRO ASKS TESTS FOR FLOOD REFUGEES

Chicago, April 14.—A request for tents for flood refugees was received today from the Cairo, Ill., Red Cross Chapter by Walter Davidson, manager of the central division American Red Cross.

A worker has been sent from Chicago to investigate flood conditions there and cooperate with Red Cross workers there in meeting further possible requirements.

Another Chicago Red Cross worker has been sent to the Beardstown flood area.

FIRE COMPANIES START BLAZES

River Head, N. Y., April 14.—Charges that rivalry is running so high between volunteer fire companies in this Long Island town that one outfit starts a blaze in order to beat another to the scene are being investigated. Assistant District Attorney of Suffolk county, admitted tonight.

"In fact," he said, "we have learned that bets have been made on the races."

ENGRAVING BUREAU TO BEGIN WORK TODAY

Washington, April 14.—The bureau of engraving and printing will resume operations tomorrow it was said tonight at the treasury. The plant was closed Sunday by Secretary Mellon for an inventory.

PREPAREDNESS IN MILITARY IS WAY DISCUSSED

Must Restate Mission of Army General Harbord Says

(By The Associated Press) WASHINGTON, April 14.—The question of military preparedness arose today in the senate appropriations committee during its consideration of the army appropriation bill. Discussion of the subject was brief but senators said the question of a national policy had grown out of the fight over the house reduction in size of the army. Major General Harbord, deputy chief of staff and Brigadier General Lassiter in charge of military operations and training appeared before the committee to present the war department's views on the subject of the house cut, the former insisting that the organization was strained to the breaking point now under the forced reduction of a year ago and later describing the plan adopted by the department for building up at low expense the forces required in a national emergency.

G. A. Dunlap, Republican nominee for county commissioner, is one of the substantial citizens of our county, honest and straightforward, the kind of a man the people can trust.

The coming Easter day, tho it may be a wet one, will hardly compare with the Easter of two years ago, when the snow drift put such an embargo on street travel and effectually obliterated all display of spring millinery.

The record made by Paul Samuel as a county judge is one that will commend itself to every thinking voter in the county. As an official he has been most courteous to all, prompt and attentive to all. His judgment of the law and the consideration given every case coming before him has been clear and decisive.

Judge Samuel has been progressive and forward in his work among juveniles and he has displayed great interest and good judgment in his court in all his actions in behalf of delinquent children, and has been tireless in all matters affecting their welfare. He has reason to be proud of his record as county judge and the good accomplished.

Our neighboring city, Beards-town, is suffering an inundation unprecedented in its history. It is a progressive town which has shown a most satisfactory growth and its enterprising citizens have been proud of it. But now many of its beautiful homes have been seriously damaged. Its business streets flooded, many of its people suffering hardship and exposure. The property loss will undoubtedly be very great.

Jacksonville citizens are greatly interested and sympathize with our neighbors and are ready to render any assistance in their power whenever called on.

Beards-town has an unusual number of business men who can be depended upon in any emergency, and we expect that city, thru their enterprise, to remedy present weakness and develop a greater, better, safer city when the floods subside.

State administration authorities expressed themselves as highly gratified over the record price of \$98.87 1-2 brought by the second issue of Illinois highway bonds at the public sale in the Senate chamber at the state house. The issue of \$8,000,000 brought \$5,922,500. This makes the interest yield net 4.11 per cent, which is undoubtedly a good

investment for the purchaser and the state. The bonds were sold in one block after 104 bids had been made by forty-two companies. The companies were divided into eight groups.

Last fall, when the first issue of highway bonds, amounting to \$7,000,000 was sold, the highest price obtainable was \$94.02, making an interest yield for the series of 4.82 1-2 per cent. The price of the present issue exceeds that by \$4.85 on the \$100 and the interest yield is .71 per cent less.

SEARCY'S POSITION

Earl B. Searcy, the Republican nominee for State Senator in this district, writes the following interesting letter to the Journal and to the voters of Morgan county.

Mr. Searcy has proven in the past that he has the interests of the county at heart and we believe that he will as safely and faithfully represent us in his future course. The following is his letter:

I am pretty proud of Morgan county. I always was. One would expect Senator Wheeler to make a good showing there, yet I can't help but reflect that I have a lot of friends scattered here and there in Morgan, else the results would not have been so close to an even break. If there is room in your esteemed paper, you might just say:

"My vote in Morgan county has pleased me immensely. I have always maintained that the west half of this senatorial district is just as much deserving of consideration and attention from a member of the legislature, as the eastern half. That belief goes now. If I am fortunate in November I shall try to prove that I believe what I say."

"Our legislative ticket is composed of men, I believe, of the moral complexion that a majority of the voters would have them. I feel that this senatorial district will return a good Republican majority next fall. If it does, it will be up to us of the legislature to measure up to our duty. If we don't the voters will again have something to say in 1924 and in 1926."

"I feel grateful to Morgan county for its showing in my behalf. If I am elected in the fall, Morgan county citizens will have as quick a call on me for services as the citizens of any other part of this district."

Cordially yours,
EARL B. SEARCY.

HEINL'S

EASTER REVIVAL SERVICES

Easter Sunday will mark the close of the revival meetings at the First Baptist Church which have been in progress during the past two weeks, under the leadership of Evangelist Frank M. Dunk of Normal, Illinois. Rev. Dunk is in the employ of the American Baptist Home Missionary Society and the Illinois Baptist State convention. The denomination has been featuring evangelism under an evangelistic department, tho in the recent big drive over \$100,000,000 much of the evangelistic program has been sidetracked for the financial end, which unfortunately was not reached. Mr. Dunk has been wonderfully successful in his work in Illinois. In Jacksonville he has won many friends by his kindly spirit, fine singing, and sincere preaching. He had the privilege of appearing before the students of the several institutions where he sang and spoke, often leading them in new choruses which they thoroughly enjoyed. He was especially impressed with the singing of the State School for the Blind.

On Easter Sunday, Evangelist Dunk's sermon subjects will be "Getting Past the Grave" and "The Walk of Emmaus." He will sing at both services and again at the Hospitalary Commandery Knights Templar Easter Service at 3 P. M.

Baptismal services will be conducted at both the morning and evening service. The quartette will assist with special numbers in the Easter musical program. Nineteen have been received for baptism and others have signified a decision to lead Christian lives. Others have been received by letters from other Baptist churches.

Evangelist Dunk begins another meeting immediately, going from here to the Baptist church at Centralia, where he held a meeting several years ago when the pastor of the Jacksonville Baptist church, Rev. A. P. Howells, was pastor there.

SOCIETY

Passavant Aid Met Thursday.

The regular meeting of the Passavant hospital Aid Society was held at Passavant hospital Thursday afternoon with good attendance in spite of the inclemency of the weather, and much work was accomplished. There will be one more regular meeting this spring when it is planned to hold an all day sewing with luncheon at the hospital. The members of the training school will be guests of the Aid at this luncheon, and each member of the aid and of the school is cordially invited to come.

Three of the members of the aid assisted in serving luncheon to the doctors and visitors of the Jacksonville Clinical association Thursday noon at the hospital. Dr. C. B. Sawyer who has been a patient at the hospital for some weeks was able to meet with the doctors at luncheon.

A gift of eight towels was received from Mrs. Hattie Doying a charter member of the Aid society. The Christian church Passavant Hospital Aid Society made an Easter offering of 20 gray cloths with crocheted edge and program. The management of the hospital wishes to thank all clubs, societies and individuals who have assisted with sewing and the making of surgical dressings, or have contributed to the hospital in other ways.

Gives Easter Party.

Mrs. O. H. Wilder gave a delightful Easter party yesterday afternoon at her home on Prospect street in honor of her son, Gene, whose eleventh birthday occurred yesterday. Eighteen guests were invited and the hours of the afternoon were very merrily spent with Easter games and contests of all kinds. A clever auction sale of funny articles planned by the hostess caused a great deal of fun for the youngsters. An Easter egg hunt was also on the program for the day and the party was quite delightful in every respect. Attractive refreshments which also carried out the Easter idea were served late in the afternoon. Mrs. Wilder was assisted in entertaining by Mrs. Ralph Hutchinson and Mrs. Clark.

Entertained at Birthday Party.

Mrs. Frank Aguar entertained a company of friends in honor of the fourth birthday of her little daughter Millicent Maxine. The afternoon was spent in games and music and dainty refreshments were served. Prizes were won by Lucille Ornelas, Louis Day and Ruth Viera. The guests were Betty Lee and Louis Day, Ray Lee, Walton, Isabel and Rebie Dall, Dorothy and Ruth Viera enjoyed a pleasant afternoon and wished Millicent many more birthdays.

Birthday Party For Little Girl.

Mrs. Frank Aguar entertained a number of children Friday afternoon at her home on North Prairie street. The evening was in honor of the fourth birthday of her daughter, Millicent Maxine, and the little guests found the afternoon a very pleasant one. Games afforded amusement and dainty refreshments were served.

SIN IS SUBJECT OF
DR. SEARS' SERMON

Strong Sermon delivered at Northminster Revival Friday Night: Special Services Planned for Sunday.

The service at Northminster church Friday night was one of the best of the series. The attendance was large and the song service which preceded the sermon was entered into heartily by all. Dr. Sears took for his text Numbers 32:33; "Be sure your sins will find you out." Among other things he said:

The three men this text refers to love many kins people in Jacksonville. There are so many men who never take any stand for anything. Share no use for these pig and puppy, milk and older fellows, you never know where to find them. They are not good citizens.

There are men in this city who are living a double life, and they think that their sins are all covered up, but they are deceived. "Be not deceived, God is not mocked." He knows your sins and you will have to give account for them.

The sin of non-appreciation is one of the great sins of our age. You do not appreciate what God has done for you and what he has promised you for the future. It is a sin not to appreciate the love of God in the gift of His Son for our salvation.

The reason why sin will find you out is because sin is an enemy to man and God. The church of Jesus Christ is a friend to man and therefore, is willing to spend and be spent to get rid of sin, that ruins and damns you who care more for the dance and picture show than they do for God and His cause. It will find you out in the lack of your education and preparation for some useful profession of life. Too many suffer in their older life because of the sin of youth. If you succeed in keeping your sins hid from all of this world, they will find you out at the judgment.

The greatest sin in the world is the sin of rejection of Jesus Christ, and it will find you out.

Dr. Sears will preach Sunday morning and evening. He will speak at the morning service on the subject, "Ten Reasons Why We Will Know Each Other in

Heaven." The meeting will close Sunday night.

Hospitalary Commandery No. 31 K. T. will

assemble at the Asylum Sunday afternoon at 2 o'clock for the purpose of attending Easter service at First Baptist church.

WRECK ON C. P., IS CAUSE OF ANNOYANCE

A freight wreck on the C. P. & St. L., Thursday afternoon near Savage made it necessary to reroute B. & O. trains, which had been using the C. P. tracks to this city. The B. & O. tracks between St. Louis and Beardstown are now under water and the B. & O. trains were routed to this city, then connected with the C. P. & St. L., and thus enabled to reach Beardstown. Following the wreck the trains went over the C. & A., tracks from Ashland to this city, then into Beardstown over the Burlington.

RAN OFF INTERCLASS TRACK MEET THURSDAY

Second Half is Postponed Until Weather is More Favorable.

The first half of the high school interclass tournament was run off on the Illinois College field Thursday afternoon. The rest of the events were to have been staged yesterday but the weather did not permit but the event was postponed until the first of the week. The different classes are showing a great deal of interest in this interclass event and class rivalry is keen. The material for spring track work is developing and with better weather the work will begin in earnest. The interclass events served the double purpose of creating good class spirit and of getting the athletes in shape for the bigger track events of the season.

The results of the first six events show that the Sophomores are ahead with a total of 23 1-2 points to the other classes is as follows:

Juniors—14.

Seniors—10 1-3.

Freshman—0.

The winners of the events are as follows:

NOTICE TO TAX PAYERS

The tax books are now in the collector's office and taxes extended stand as judgments against all parties mentioned therein.

Persons paying on personal property only should pay the tax promptly and avoid trouble and expense in collection. The judgment reads as follows: "In case any person named in said books shall neglect or refuse to pay their personal tax, you shall levy the same by distress and sale of goods and chattels of such persons." Parties paying on real estates should bring their old tax receipts to save time and avoid mistakes. If paying thru the banks, leave your old receipts with your bank as soon as possible.

CLEAN UP WEEK PUBLIC SCHOOLS

On Saturday, April 15th the schools will co-operate with the general civic committee in the clean up parade. School children have been invited to meet at the high school building at 9 o'clock Saturday morning for this purpose.

On Monday night, April 17th, a program will be given in the high school auditorium. This program includes plays, stunts, songs, and drills. Many children will appear in costumes. Seven schools will be represented.

An essay contest will be conducted thruout the week. Subjects appropriate to the clean up movement will be studied by the pupils in regular class time and on Friday short essays will be written on one of the subjects which will be selected for that purpose. The best short theme will receive a prize of \$5.00 to be awarded by the Metropolitan Life Insurance Company.

In hygiene, physical training and other related subjects special emphasis will be given to clean up and health observances.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

will be in the nature of securing information regarding birth registration of each child in the public schools. Special cards have been provided upon which the names of parents together with the age of the child will be recorded. For many legal and civic reasons birth registration is very important and this will be an effort to strengthen up the records of children in the Jacksonville Public Schools.

MATHEW MINTER IS REBEKAH 50 YEARS

Veteran Member of Jacksonville Lodge No. 13 Is Honored—Responds With Refreshments for Lodge.

An event of unusual interest was observed at the regular meeting of Jacksonville Lodge No. 13 Rebekahs Friday evening.

Fifty years ago last night, April 14, 1872, Mr. and Mrs. Mathew Minter became members of Jacksonville lodge of Rebekahs. In commemoration of this long record members planned a little surprise for Mr. Minter.

During the business meeting Mr. Minter was asked to come forward and was presented with a

DAUGHTER HAD TO HELP MOTHER

Now Can Do All Her Housework Alone Because Lydia E. Pinkham's Vegetable Compound Helped Her

Jasper, Minn.—"I saw in the paper about Lydia E. Pinkham's Vegetable Compound and I took it because I was having such pains in my stomach and through my back that I could not do my work. I had tried other medicines, but none did me the good that your Vegetable Compound did. Now I am able to do all my work alone while before I had my daughter staying at home to do it. I have told a number of friends what it has done for me and give you permission to use my letter as a testimonial."—Mrs. JESSIE PETERSEN, Route 1, Jasper, Minn.

There is no better reason for your trying Lydia E. Pinkham's Vegetable Compound than this—it has helped other women. So if you suffer from displacements, irregularities, backache, nervousness or are passing through the Change of Life remember this splendid medicine. What it did for Mrs. Petersen it may do for you.

The Vegetable Compound stands upon a foundation of nearly fifty years of service.

The presentation speech was made by Miss Frances Alkire, who spoke of the long record as a Rebekah of Mr. Minter and of his active interest in the work of the lodge which had not waned but had grown stronger with the passing years. Mr. Minter, for once was really and truly surprised but responded briefly and appropriately. A number of other members spoke along the same line, commenting on Mr. Minter's faithfulness to the order.

At the close of the meeting Mr. Minter gave the members a surprise when he invited them to the dining room where excellent refreshments were served under his direction. The occasion proved one of pleasure to the large number present.

TELLS HUSBAND TO BEAT UP INSULTER

(By The Associated Press)
ATLANTIC CITY, N. J., April 14.—Webster Risley today by Recorder Goldenberg was instructed to "beat up" Thomas Curtis. This judicial decision followed the testimony of Mrs. Risley who said that Curtis was accosting her on the streets writing unfounded accusations in letters to her husband and making scenes when they went in public places. The husband it tall and muscular, while the defendant is small in stature, sparsely built and wiry in movement. The recorder looked at them with a critical eye.

"It looks to me as if you were big enough to settle the controversy by beating him up and while you are at it I would suggest that you give him a good licking," concluded the recorder.

IS CANDIDATE FOR ALDERMAN

W. T. Harmon, director of athletics at Illinois college, makes announcement this morning of his candidacy for alderman on the independent ticket in the third ward.

Mr. Harmon has been a resident of the city and county all his life. He is a graduate of Illinois College and since 1910 has been director of athletics at the college.

During the world war Mr. Harmon was among the first to answer the call of his country and was sent to the officers' training camp at Fort Sheridan. At the conclusion of the training course he was commissioned a captain and was stationed at Camp Grant and later overseas.

Mr. Harmon is one of the best known athletic directors in the country. He is a man of ability, and should, if elected to the office he seeks, make an excellent official.

EXODUS OF HOMELESS FROM FLOODED CITY STARTED YESTERDAY

(Continued from Page One)
pany dike broke today putting the plant out of business. The Terminal Railroad tracks are completely under water.

Main Levee Collapses.
CAIRO, Ill., April 14.—Two hundred feet of the main levee at Aldridge near where the Big Muddy river enters the Mississippi collapsed today and the water probably will overrun 75,000 to 80,000 acres of land, according to a report received here.

The report of the collapse was received at the local offices of the Missouri Pacific railroad. The threatened area is principally lowlands and no loss of life is expected; a great part of the land is under cultivation and thousands of acres of corn are endangered.

Water High at New Orleans.
NEW ORLEANS, La., April 14.—With the crest of the Mississippi river within a few inches of the top of the levees here and a forecast by the weather bureau indicating that additional rise of 1.3 feet is probable before the end of the month every flood protective agency in the city was reported on the alert tonight to cope with any emergency. Government engineers in charge of the levees, officials of the dock board and river men declared there was no evidence of threatening of the lower regions.

Reports from Plaquemine, La., where a newly constructed section of levee had shown signs of weakening, were to the effect that the engineers had won their fight there and no further trouble was anticipated.

The lower sections of Arkansas City, Ark., were flooded today to a depth of seven feet. The business section was above the back water.

LaGrange Levee Out.
NAPLES, Ill., April 14.—The Mayor of Naples, Mrs. John Chambers wore boots today, and viewed from the highest spot in her town, water everywhere. Col. S. O. Tripp representing Adjutant General Black arrived from Meredosia this morning and stood beside her.

The levee at LaGrange broke last night and the water thruout this section is twenty-four feet high, having raised one inch since yesterday. Railroad tracks between Naples and Valley City are completely covered with water that measures 11 inches deep.

Twenty-five tents sent by the adjutant general are in use, but may soon be as uninhabitable as the houses about. Another move to higher ground has been taken by several who staked their tents too low.

CHASES SUSPECTED RUM RUNNER.
NEW YORK, April 14.—The first shot of the new prohibition navy has been fired in the war against liquor pirates. The Mehlatos, former submarine chaser steamed into port tonight to announce that the first shot was fired last night when she encountered a supposed rum runner five miles off the New York shores. It was only a blank shot but it had the desired effect for the suspected craft quickly doused all lights, showed her stern and sailed rapidly toward the Bahamas. The Mehlatos followed the mysterious craft for three hours but gave up the pursuit with the appearance of rough seas.

SEMIENOFF IS WAITING FOR BOND
NEW YORK, April 14.—General George Semienoff was still in jail tonight waiting for \$25,000 bail. Outside, crowding the street, perched on railings, leaning from windows, even sitting on edges of roofs, were thousands who waited for him not to cheer but to hiss and "boo" the leader of the Cossacks. Most of the thousands who milled about the jail were men and women of Russian descent who live in the thickly settled districts of the lower East Side. If they did not know themselves what the hard riding Cossacks can do they had been told by their fathers or mothers who had fled from Russian massacres and they had no love for Semienoff.

Early in the day police reserves were called out.

DUNBAR OPERA

FOLLIES COMING
Manager Headen of the Grand theater has just booked by wire for appearance here Tuesday evening, April 18th., the Dunbar Opera Follies, a production of the American Opera Association, Inc., of which the resourceful Ralph Dunbar is artistic director. The "Follies" is a revue of quality but offered at prices in accord with conditions prevailing in business generally. It therefore fully meets the demands of those who nowadays expect and receive full value for every cent expended, especially that which goes for entertainment. It offers a galaxy of opera singers from Mr. Dunbar's numerous productions, comedians from the ranks of vaudeville and musical comedy, several notable vaudeville acts intact, a troupe of wonderful dancers, a famous singing band and a contingent of charming girls.

The revue presents seven magnificent scenic settings and is the latest word in musical shows that really entertain. As one recently expressed it "It's the show we've been waiting for, for it makes us forget our troubles, and is such an exhilarating stimulant as we have not had for many moons."

ATTENDED HEARING
Alderman C. F. Ehnie was in Springfield yesterday where he attended a meeting on the proposed change of schedule of the C. P. & St. L. railroad. Upon his return Mr. Ehnie said that it was pointed out that the road is in the hands of a receiver and any action the Illinois Commerce Commission might take would be set aside by the government. The road has no money and can't even buy coal to operate. The hearing before the state commission is set for next Tuesday, April 18, but it is not likely much relief is in sight unless the business of the road can be increased to such an extent that it will pay to put the trains in operation again.

NOTICE

Notice is hereby given to all per-
sons interested that the City
Council of the City of Jack-
sonville, Illinois, having ordered that
a local improvement, consisting of
a street pavement, be construct-
ed on West College Avenue, in
said city, from the west curb
line of South Sandy Street, run-
ning thence west along said Ave-
nue to the intersection of the
West City Limits with said West
College Avenue, which said pave-
ment shall be constructed in ac-
cordance with the plans, plats
and profiles on file in the office of
the City Clerk of said city, and
which said improvement shall
consist of a sheet asphalt pave-
ment with a combined concrete
curb and gutter on each side of
said asphalt pavement, and said
asphalt pavement shall be con-
structed in the following man-
ner: that the top layer of the old
pavement shall be removed,
and all holes and ditches filled,
and provided in said ordinance,
and brought to grade eight inches
below the surface of the finished
pavement when completed. Upon
this sub base there shall be placed
a layer of concrete five inches
in thickness. Upon the concrete
base there shall be placed a binder
course one inch in thickness com-
posed of coarse aggregate sand
and asphaltic cement, and upon
the binder course shall be laid a
wearing course two inches in
thickness composed of refined
lake asphalt, heavy petroleum oil,
clean sharp sand, and fine pow-
dered carbonate of lime, with a
coat of hydraulic cement, which
said improvement shall also in-
clude necessary concrete headers,
brick catch basins and storm water
inlets, all of which is further
shown and more particularly de-
scribed in the plans, profiles and
specifications for said work on
file in the office of the City Clerk
of said city, to which reference is
hereby made, the ordinance for
the same being on file in the office
of the City Clerk of said city, and
also made a part of the petition
in this proceeding, and said City
of Jacksonville, Illinois, having ap-
plied to the County Court of Morgan
County, Illinois, for an as-
sessment of the cost of said im-
provement, as provided in said or-
dinance, said assessment being
payable in ten installments, each
bearing interest at the rate of six
per cent per annum, and an assess-
ment therefor having been made
and returned to said court, the
final hearing thereon will be had
on the 28th day of April, A. D.
1922, at the hour of ten o'clock
A. M., or as soon thereafter as the
business of the court will per-
mit.

All persons desiring may file
objections in said court before said
date and may appear at the hear-
ing and make their defense.
Dated at Jacksonville, Illinois,
April 10, 1922.

REMEMBER THE SABBATH
TO KEEP IT HOLY.

In view of the fact that the peo-
ple of Jacksonville will be given
an opportunity next Tuesday to
elect the Lord with their vote, I
want to say a few things about
stones of our American govern-
ment, the Sabbath.

The Sabbath, the Lord's Day,
the rest day, is the Pearl of Days,
each Sabbath dawn on a weary
world as God's benediction. It is
like sunshine after storm, peace
after war. Notwithstanding this
the Sabbath, as an institution, is
greatly misunderstood.

Jesus Christ, the Founder of
Christianity, recognized the day
of rest as a part of the moral code,
and as a faithful member of his
race, kept the whole law. He
came to fulfill, not to destroy. He
rescued the Sabbath and carried
it over into the new Dispensation.
He made it a model day, the
brightest, the happiest, the best,
the most welcome day of all the
week. He taught that the day
was made for big things, not for
little things as, picture shows,
golf and Sunday picnics; for man,
man's use, man's rest, man's wor-
ship.

Though the Sabbath is the best
of days, there have been many
attacks upon it as an institution,
men have combined against the day
and love sought to eliminate every
trace of it from our laws. Con-
stantly there are assaults being
made upon the Day of Rest. Dur-
ing the past year, violent attacks
have been made on the Holy Day
by those who, for commercial pur-
poses would turn the Sabbath of
the Lord into a day of recreation,
profit and amusement. This
means that real true Christian
Americans must be vigilant, on
our guard, and fight for the day
of Rest. In regard to this institu-
tion, we must never surrender. If
we love our country let us stand
by one of the great powers that
has made our country what it is.
Do away with the Sabbath and the
beauty and strength of our
civilization is gone. There are
times when men are compelled to
surrender. When a general finds
himself surrounded, outclassed,
overmatched, in danger of annihi-
lation, he must surrender. How-
ever, when it is a question of
morals, when it touches the con-
science and involves loyalty to
God and Church and Country,
here must be no surrender. Then,
"The Old Guard never surrenders."

I wish now to assign some rea-
sons why we should believe in a
day of rest and stand firm in
maintaining the Sabbath as an in-
stitution. The Lord's Day does
not rest upon human authority,
nor upon economic expediency,
but on the will of God. The Sab-
bath is to be obeyed because God
ordained it as necessary to our
physical, moral and spiritual wel-
fare. Man has no right to set
aside the law of God, and turn the
day of rest into a day of amuse-
ment. We are called upon to
make our choice whether we will
obey God or those who want to
commercialize our Sabbath.

There is a strong physiological
argument for the observance of
the Sabbath. If men do not rest,
they become strained, weakened,
worn out. Knowing that men
and women who toil for their
daily bread must rest, God ordain-
ed a breathing time, one day in
seven for repose, for rest and wor-
ship; and in no age of the world,
in no country, is there a more im-
perative demand for a day of rest
than in America.

Let us understand that we are
not poorer, but richer, because
we have through the ages, rested
from our labor on the Sabbath.
That day is not lost while indus-
try is suspended, while the plow
lies in the furrow, while the pool
remains silent, while our pool
rooms and theaters are closed.
The Sabbath puts a wholesome
restraint upon the soil tendencies
and propensities so strong in the
age of materialism, greed, and
avarice; an age which too largely
judges men and women by what
they have rather than what they
are; an age which makes gold
the touchstone of civilization.
Can we, as a nation, long continue
unless the spirit of greed is re-
strained and repressed? The Sab-
bath Rest does this. It sets a
limit; it calls a halt; it refuses to
pursuit me to make slaves of their
fellow men in business, in com-
merce, and in manufacture. This
is what men would do in order to
satisfy their greed for money add
pleasure. John Bright says, "The
stability and character of our
country, and the advancement of
our race, depends very largely on
the mode in which the Day of
Rest, which seems to have been
specially adapted to the needs of
mankind, shall be used."

I plead for the Sabbath, the
old Day, Man's Day, and God's
Day. We are swinging too far
away from the proper observance
of the day. If we are to let every-
thing run wide open, our civiliza-
tion will be weakened, if not de-
stroyed. So Christians and citi-
zens, we should remember that
God has rights and we should
obey his law. It is only by hon-
oring the great God that we may
expect His blessing. Remember
the Sabbath and Jacksonville and
let us keep both clean. I am in-
debted to Dr. Wylie, the secretary
of the Board of Sabbath Observ-
ance, for a good many of the
thoughts of this article.

NERVOUS FEELING
ON BUTTER MARKET

By Associated Press.
CHICAGO, April 14.—The
weaker advices from New York
caused a nervous feeling on the
butter market today, but due to
extremely tight supplies prices
were further advanced on nearly
all scores.
Many buyers could not supply
their needs and several were
waiting for lots that were
expected late in the day. There
were practically no fresh cen-
tralized cars scoring 90 on the
market but buyers expressed a
willingness to pay 37 1/2.
It was reported that some of
the centralized had sold butter
for shipment to Canada direct.

BRADSTREET'S
REPORT WILL SAY

By Associated Press.
NEW YORK, April 14.—Brad-
street's tomorrow will say:
"The general impulse is in the
direction of improvement and re-
tail trade and industry are gen-
erally better despite rains, bad
country roads and strikes. The
situation is necessarily so irregu-
lar that the characterization of
'spotted' perhaps best explains
the general outlook. As to the
weather conditions it might be
said that the rains in the west
while deluging crop work hold-
ing down spring retail distribu-
tion and flooding the country's
streams and low lands, how-
ever, their compensations as tend-
ing to greatly improve future
crop and soil conditions. The
strikes especially that of the coal
miners involving the voluntary
idleness of 650,000 men, is vir-
tually a tax on industry as a
whole just as truly as are failure
and fire losses and constitute a
menace to all trade and industry
at a time when nearly all other
prospects are pleasing."

BURLINGTON FIREMAN LOSES FOOT FRIDAY

Guy L. Simpson of Browning, Illinois was brought to Passavant hospital early Friday morning suffering from severe injuries received when his foot was run over by a C. B. & Q. train at Chapin. Simpson has been a fireman on the Burlington for a number of years and Thursday night while attempting to board his engine at Chapin depot his foot slipped and the wheels of the tender passed over his ankle.

The injured man was rushed to

this city on passenger train No. 28 and taken to Passavant hospital. It was found necessary to amputate the foot and an operation was performed at 2 o'clock in the morning. Though the injured man suffered considerable pain he was resting as well as could be expected yesterday.

TODAY IS OPENING OF CLEAN UP PROGRAM

Parade of School Children at 9:30
O'clock this Morning is Opening
Event—Boy Scouts to Begin
Survey.

Those people who are in the business district this morning at 9:30 will witness the opening event of the Clean-Up and Paint-Up Campaign. It will be a demonstration in the form of a parade staged by the school children of Jacksonville, the Military Company, the Boy Scouts and Camp Fire Girls from the Illinois School for Deaf, the entire Boy Scout Organization of Jacksonville and the Band from the State Hospital.

Louis L. Horen will be the Marshall in charge and all participants are to be under his direction. The parade will form in front of the High School building at nine o'clock and will move east on West State street to the square then on the West and South side of the square to the Hopper Shoe Store corner, then east on Morgan street to the rear of the Post office from there north to East State street to the square, then on the east and north side of the square to West State and return to the High School where it will be disbanded. Signs and Slogans will be carried by the children, these being furnished by Lloyd Reid. Clean-Up buttons will also be given each child taking part in the parade. Children are expected to bring brooms, brushes, mops, hoes and rakes to carry with them while marching.

The Boy Scouts will at once begin their preliminary survey of the city and will report all properties in need of cleaning indicating on their reports the exact conditions as found.

CLIO CIRCLE MEETS AT LITERBERRY.

The regular monthly meeting of the Clio Circle of the Literberry Christian church was held Friday afternoon at the home of Mrs. Arthur Liter, a mile north of Literberry. The trip to the Liter home was made in a large covered wagon and a large number of the members were in attendance.

The topic of the afternoon was "Among India's Millions," and the leader was Mrs. James Petefish. The program included papers by a number of the members of the circle and proved very interesting. A pleasant social hour followed the program and the hostess served refreshments in the late afternoon.

Among the guests were the following: Mrs. Carl Myers, Jacksonville; Mrs. Edgar Mills, Mrs. Edgar Brown, Mrs. J. P. Myers, Mrs. Edward Ater and daughter Rena, Mrs. William Phillips, Mrs. Aaron Petefish, Mrs. Jesse Liter, Mrs. Warren Daniels, Mrs. Lena Underbrink and Misses Amanda and Tirzah Jewberry.

HEARING ON PAVING OBJECTIONS HELD.

At the court house Friday a hearing was held on objections to the proposed paving of East State street from the railroad tracks east to Johnson street. As a result of the hearing the present proceedings were dismissed without prejudice, this action resulting because of a typographical error in the proceedings. Judge C. E. Martin presided at the hearing, at which about thirty objectors were present. They were represented by W. T. Wilson and J. J. Reeve.

Walter Bellatti, city attorney, requested that the proceedings be dismissed as he feared that the technical error might invalidate the bond issue. Proceedings will again be started at an early date for the paving of the street in question.

WELL KNOWN METHODIST MINISTER PASSED AWAY

Rev. E. L. Fletcher has received word of the death of Rev. Charles Fletcher McKown at his home in Athens, Illinois. The deceased passed away Wednesday and his funeral took place Friday afternoon.

Rev. McKown was at one time pastor of the West Jacksonville circuit here and was well known to a large number of local Methodists. He was one of the older members of the Illinois conference and served pastorates at Pittsfield, Chapin, Petersburg, Chatham and a number of other points. He served the church at Athens for ten years, retiring two years since from active ministerial duties. At the time of his death he was mayor of Athens and vice president of a bank which he organized there.

JACKSONVILLE BOY IS TAKEN TO LOUISVILLE

Harold Holler, Accused of Murder
Left Friday for Kentucky in
Custody of Officers—Still
Maintains Innocence of Crime.

Harold S. Holler of this city left Friday morning for Louisville Ky. in custody of police officers from that city. Chief of Detectives W. H. DeForester, Capt. Sweeney and a couple of newspapermen of Louisville made up the group which accompanied the local man to Louisville, where he must answer to the charge of murdering Frank T. Straley in September, 1920.

The prisoner stoutly maintained his innocence of the crime with which he is accused and declared that he had nothing whatever to do with it. The young man is of the belief that the charge against him is the result of a plot conceived by a Louisville taxi driver in order to shield the guilty man. Holler declared that he had friends in Kentucky who would stand by him and do their utmost to clear him of the charge preferred against him.

Members of the young man's family consulted an attorney here, it is understood, and were advised to secure the services of a Kentucky attorney and this will probably be done. A number of his relatives and friends visited him Thursday night at the police station and in conversation with them the young man insisted that he knows nothing of the crime of which he is accused.

Before starting for Louisville Holler received a message from a friend who says he is convinced of his innocence. The message follows:

Jeffersonville, Ind.,
April 13, 1922.

Harold Holler,
Care Chief of Police,
Jacksonville, Ill.

One of your intimate friends of Jeffersonville convinced of your requests me to write you to say nothing. Will meet you on your arrival in Louisville and defend you.

MISS GEORGIA BACON TO BE MARRIED IN CHICAGO.

Miss Georgia Bacon left last night for Chicago and her marriage to Thomas B. Smith of Detroit, Michigan, will take place there on Wednesday, April 19th. The bride-to-be has a host of friends in this city, all of whom will be interested in knowing of her approaching marriage.

Miss Bacon is a daughter of Mr. and Mrs. H. C. Bacon of 233 East College avenue. She has spent the past year in Austin, a suburb of Chicago, but prior to that time she was employed as stenographer in the offices of Strawn & Spink and Jacob Cohen & Sons in this city.

Mr. Smith was also located at Austin during a part of the past year. He is now living in Detroit and it is here that he and his bride will begin housekeeping.

CLEAN UP CAMPAIGN TO CONTINUE FOR MONTHS

The campaign to clean and paint up the city that will open on Monday next is not to be considered a Clean Up Week. The committee in charge wishes to state that the week April 17th to 22nd is the opening week of a continuous campaign that will be carried on during the summer and fall months. This has been the aim of the committee since its appointment but within the last few days many persons have been using the term week.

The city garbage department will do its best to remove the piles of ashes, bottles and other garbage as expeditiously as possible after the clean up campaign opens but are only human and cannot be expected to remove all the refuse gathered up the first week.

When the present garbage officers took charge of the work the department was six months behind the regular schedule of collections and have made wonderful progress so far. There are 2500 houses from which the department collects refuse and it keeps them busy engaged in making their regular calls.

A clean up campaign will add greatly to their task but the officers of the department are preparing to handle the extra work in an efficient manner as they are enthusiastic for a general house cleaning of the city.

ROTARY CLUB CHOOSES BOARD OF DIRECTORS

Annual Election of Directors Held
Friday—Club to Lease Land
Between Club House and Mer-
cedosia Bay.

The regular weekly luncheon of the Rotary Club was held Friday at the Pacific Hotel. The annual election of directors was held and resulted in the choice of the following: J. W. Walton, Rev. M. L. Pontius, Dr. A. H. Dole, Earl Spink, Vincent R. Riley, John S. Hackett, L. F. Randall, J. H. Dial and Lloyd Hamilton.

The matter of leasing a strip of land situated between the Rotary club house and Mercedosia bay was up for consideration and a resolution was adopted whereby the club trustees are instructed to lease the land in question for a term of ten years. The land belongs to Mrs. Fannie Lewis of Mercedosia and by securing its use the club will have access to the bay from the grounds of the club house.

An interesting feature of the afternoon's program was an observation test conducted by Dr. Carl E. Black. Four teams each composed of two members were named and to each team was assigned a half block of the square, with the requirement that the team members name all the business establishments located in that particular section. To Walter DeShara was given the task of naming every Rotary club member together with the nature of the business in which he is engaged.

Group singing was also a part of the informal program and brief remarks were made by Dr. A. W. Foreman of White Hall.

B. E. ASPLUND IS HEAD OF FRANKLIN SCHOOLS

The Franklin school board met recently and elected M. B. Kephlinger president and Dennis Whalen clerk. The board reappointed B. E. Asplund to again serve as principal of the community high school, and Miss Mildred Funk and L. S. Seare were again offered positions as teachers. These offers have not yet been accepted but are under consideration. Miss Ruth Tulpin, who has been a teacher in the Franklin school the past term, will be a student at the University of Illinois next year and will therefore not accept the teaching position again.

JACKSONVILLE OFFERS ITS AID

Telegram is Sent to Beardstown
By Mayor Crabtree and R. Y.
Rowe, President of the Cham-
ber of Commerce.

The following telegram was sent to the people of Beardstown yesterday by the City of Jacksonville and the Chamber of Commerce:

"We greatly admire the optimism and pluck of the citizens of Beardstown. Jacksonville, thru the city administration and the Chamber of Commerce offers hospitality or any help which we may be able to give."

E. E. CRABTREE, Mayor.
R. Y. ROWE, Pres. C. of C.
Beardstown has made no request for help and the citizens of Jacksonville have felt somewhat reluctant to offer help. However as the conditions in the flooded city continue to become worse and yesterday it was decided to offer any aid which Jacksonville might be able to render. If the citizens of Beardstown will accept the offer, a relief organization will be perfected here and Jacksonville will prepare to give assistance. It is true that without a doubt Jacksonville people will gladly open their homes to the stricken people of the neighboring city and it may be that provisions of coal, dry clothing, bedding and other necessities which the Beardstown people were forced to leave in their homes when they were abandoned, may be sent from Jacksonville in order to give some degree of comfort to the people made homeless by the flood.

WOMAN'S CLUB NOTICE

At the regular meeting of the Woman's Club to be held this afternoon in Odd Fellows Temple, Mrs. Ethel Indermills Parmlay of Chicago will address the club upon Interior Decoration, displaying samples of fabrics brought from the best city shops together with those supplied from the stocks of our local merchants.

Mrs. Parmlay's expert knowledge of her subject and her wide when as Miss Ethel Indermills then associated with the Toys Company of Chicago. She appeared before our Woman's Club several years since, will prompt a large attendance of club members this afternoon.

There will be displayed too, a collection of posters just completed by students in the art department of the David Prince and High Schools for which prizes have been offered by the Woman's Club and the Chamber of Commerce.

Mr. Kriteh will present a group of violin members preceding the address while the regular social committee of the club will extend the informal hospitality of the membership following the program.

The entire afternoon promises to be one of unusual merit and a large attendance is expected. While in the city Mrs. Parmlay will be a guest in the home of Mrs. E. S. Greenleaf.

We solicit your ice orders and assure you prompt and courteous service.—WALTON & CO.

AWARDS ARE MADE IN POSTER CONTESTS

Rhoda Ramekamp Wins First Prize for Clean-Up and Paint-Up Poster—Other Prizes Also Awarded.

Awards were made yesterday in the poster contests which have been conducted in the Jacksonville Public schools by the Chamber of Commerce and the Jacksonville Woman's Club. A large number of very attractive posters were on display at the Ayers bank yesterday and the judges awarded prizes to the winning posters.

The Chamber of Commerce thru the Clean-Up and Paint-Up committee offered prizes for the best posters advertising the Clean-Up and Paint-Up campaign which the Chamber will stage this spring. The winning posters will be on display in the business district next week. The prizes were given to students in the Junior High School and were awarded as follows:

1st prize, \$5.—Rhoda Ramekamp, 7th Grade.
2nd prize, \$2.50.—Elbert Silbert, 7th Grade.

Five \$1 prizes—Russell Ludwig, 8th Grade; Virgil McDonald, 8th Grade; Bill Walton, 7th Grade; Gale Thompson, 7th Grade; Harlan Smith, 7th Grade.

The art work at the Junior High is under the direction of Miss Louise Mansfield. Miss Harriett Silbert, Art Supervisor of the Public schools has been in charge of the poster work. The Jacksonville Woman's Club offered a number of prizes to high school students for the best posters made on the subject "Making Jacksonville Attractive."

Margaret Miller and Florence Crenwell tied for the first prize and so the first and second prizes were divided equally between the two girls. The five \$1 prizes were awarded to the following: P. Joseph Cruzan, Leon Hamilton, Helen Dinwiddie, Harold Lair, and Martin Graff. H. J. Rodgers added a prize of \$1 to the Y. M. C. A. poster made by Earl Hoover, and T. M. Tomlinson gave a \$1 prize to Amy Harney for her poster on Mauvasterre Park.

Attend Grace Sunday School Easter. Big contest on.
